**DEFENDANT'S EMERGENCY MOTION FOR AN ENLARGEMENT
OF TIME TO REPORT TO BUFFALO COURT**

To the Honorable Magistrate Judge Joseph C Spero

Comes now, Defendant, Shane C. Buczek, pro se, in the above styled case, and moves this Honorable Court for a one week enlargement of time to report to the court in Buffalo regarding his current indictment and pending criminal case.

A. History

On March 7, 2008, an affidavit Rule 5 was recorded from the Western District for the Western District of New York in the above styled case. (Dock, # 1)

On March 7, 2008, proceedings were held before this court, and an initial appearance was held, in which defendant was ordered removed to the Western District of New York, to report by March 14, 2008 at 2 PM at 68 Court Street, Buffalo, New York. The court ordered that Defendant be represented by counsel for that hearing only. (Dock. # 2, 3, 4).

Although Defendant resides permanently in Buffalo, he is currently in California working for his family in the property management business. He handles contracts related to that business for his father, who also resides in Buffalo. Those contracts

require that he either sublet the contracts or find others to assume the contracts in order that the business does not incur substantial losses as a result of his departure.

Defendant requests that the court grant him a one week extension of time to allow him to divest himself of the business contracts and allow him to preserve, as much as possible, his family's business interests in this District of California. This extension would allow him to divest management of those property management contracts under his control and time to properly plan his report to Buffalo.

This request is not for delay, but to allow preservation of his father's business interests in the State of California.

Wherefore, Defendant, pro se, requests that the magistrate grant him a one week extension of time to report to the court in Buffalo, until March 21, 2008 at 2 PM>

This motion is verified.

I certify that the foregoing facts are true and correct under the penalty of perjury.
